This authority shall include but shall not be limited to the following: (a) periodically review and approve the University's mission and purposes; (b) appoint the President who shall be the University's chief executive officer, and set appropriate conditions of employment, including compensation; (c) establish the conditions of employment of other key institutional officers; (d) support the President and assess his or her performance; (e) review and approve proposed major changes in the University's academic programs and other major enterprises consistent with the University's mission, plans and financial resources; (f) approve institutional policies bearing on faculty appointment, promotion, tenure and dismissal; (g) approve the annual budget and annual tuition/fees; (h) regularly monitor the University's financial condition, and establish policy guidelines affecting all institutional assets including investments and the physical plant; (i) contribute financially to the University's fundraising goals and participate actively in strategies to secure sources of support; (j) approve all earned and honorary degrees; (k) periodically undertake or authorize assessments of the Board's performance.

2.1.1.2 The Board of Trustees may delegate any of its authority or responsibility to any committee established by Article V, subject to the provisions of these Bylaws.

2.1.2 NUMBER. The Board of Trustees shall consist of no fewer than twenty-eight nor more than forty-one members.

2.2 CLASSES. The members of the Board shall be classified as follows:

2.2.1 CHARTER TRUSTEES. Up to thirty (30) in number, to be elected by the Board to serve for terms of five years that expire at the annual meeting of the Board. At any election of Trustees, there may be elected up to the maximum number of Charter Trustees permitted under the foregoing provision.

2.2.2 ALUMNI TRUSTEES. Up to ten (10) in number, to be elected by and from the alumni, to serve for terms of five years, such service to begin with the annual meeting of the Board of Trustees following the election. The term “alumni” as used in this Article II shall be deemed to include (a) each person who has received a degree from the University or from the Eliot-Pearson School or the Boston School of Occupational Therapy prior to the affiliation of said schools with the University and (b) each non degree- holding former student of the University who has pursued an approved course of study in the University for at least one academic year, provided that the prescribed period for completion of said course of study shall have passed.

2.2.3 TRUSTEE EX OFFICIO. The President of the University during such President's term of office shall serve *ex officio* with full voting rights.

2.3 ELECTION OF CHARTER TRUSTEES.

2.3.1 The Charter Trustees shall be elected by majority vote of the members of the Board of Trustees present and voting. Their election need not be by ballot but may be by ballot if requested by three or more Trustees present. A nominee receiving votes equal to or exceeding in number a majority of the ballots cast shall be declared elected. If no nominee, or only one nominee is elected, succeeding ballots shall be taken in the same manner as the first, except that voting shall be for only one nominee if the first ballot resulted in the election of one member. Article XI

INDEMNIFICATION

11.1 TRUSTEES AND OFFICERS.

(a) The Corporation shall indemnify to the maximum extent legally permissible, but not to the extent that the status of the Corporation as an organization exempt under Section 501 (c) (3) of the Internal Revenue Code will be affected thereby, any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether external or internal to the Corporation, by reason of the fact that he or she is or was a Trustee or Officer of the Corporation or is or was serving at the request of the Corporation as a trustee, director, officer, employee or other agent for another organization or in a capacity with respect to any employee benefit plan, against expenses (including reasonable attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such suit, action or proceeding except with respect to any matter as to which he or she shall have been adjudicated in any proceeding not to have acted in good faith in the reasonable belief that his or her action was in the best interests of the Corporation or, to the extent that such matter relates to service with respect to an employee benefit plan, in the best

interests of the participants or beneficiaries of such employee benefit plan. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the person did not act in the reasonable belief that his or her action was in the best interests of the Corporation or, to the extent that such matter relates to service with respect to an employee benefit plan, in the best interests of the participants or beneficiaries of such employee benefit plan.

(b) As to any matter disposed of by a compromise payment by such person, pursuant to a consent decree or otherwise, no indemnification under this Section 11.1 (unless required by law or ordered by a court) shall be made by the Corporation unless authorized in the specific case (i) by the Board of Trustees by a majority vote of a quorum consisting of Trustees who were not parties to such action, suit or proceeding, or (ii) if such a quorum is not obtainable, then by a majority vote of a committee of the Trustees consisting of all of the disinterested Trustees or (iii) if there are not two or more disinterested Trustees in office, then by a majority of the Trustees then in office provided they have obtained a written finding by special independent legal counsel appointed by a majority of the Trustees to the effect that, based upon a reasonable investigation of the facts as described in such opinion, the person to be indemnified appears to have acted in good faith in the reasonable belief that his or her action was in the best interests of the Corporation or, to the extent that such matter relates to service with respect to an employee benefit plan, in the best interests of the participants or beneficiaries of such employee benefit plan.

(c) Notwithstanding anything in this Section 11.1 to the contrary, no indemnification shall be provided for any person with respect to any matter as to which he or she shall have been adjudicated in any proceeding not to have acted in good faith in the reasonable belief that his or her action was in the best interests of the Corporation or, to the extent that such matter relates to service with respect to an employee benefit plan, in the best interests of the participants or beneficiaries of such employee benefit plan.

(d) Expenses incurred by a Trustee or Officer in defending a civil or criminal action, suit or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the Trustee or Officer to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Corporation as authorized in this Section 11.1. Such undertaking shall be accepted by the Corporation without reference to the financial ability of the person giving the undertaking to make repayment. Any advance under this subsection (d) shall be made promptly, and in any event within ninety (90) days, upon the written request of the person seeking the advance.

(e) The indemnification and advancement of expenses provided by, or granted to, the other subsections of this Section 11.1 shall not be deemed exclusive of or affect any other rights to which any person may be entitled by contract or otherwise under law. Each person who is or becomes a Trustee or Officer shall be deemed to have served or have continued to serve in such capacity and in such other capacity at the request of the Corporation as described in subsection (a) in reliance upon the indemnity provided for in this Section 11.1. All rights to indemnification under this Section 11.1 shall be deemed to be provided by a contract between the Corporation and the person who serves as Trustee or Officer of the Corporation. Any repeal or modification of this

Section 11.1 shall not affect any rights or obligations then existing.

(f) To the extent that a Trustee or Officer of the Corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsection (a), or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

(g) The indemnification and advancement of expenses provided by, or granted pursuant to, this Section 11.1 shall continue as to a person who has ceased to be a Trustee or Officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

(h) If any term or provision of this Section 11.1 or the application thereof to any person, property or circumstance shall to any extent be invalid or unenforceable, the remainder of this Section 11.1 or the application of such term or provision to the persons, property or circumstances other than those as to which it is invalid or unenforceable shall not be affected thereby, and each term and provision of this Section 11.1 shall be valid and enforced to the fullest extent permitted by law.

11.2 FACULTY MEMBERS AND OTHER EMPLOYEES. Individuals who are members of the Faculties of the several colleges and schools and other employees and agents of the Corporation who are not Trustees or Officers shall be indemnified by the Corporation to the extent from time to time authorized by the Board of Trustees.

Article XII

CONFLICTS OF INTEREST

12.1 In keeping with the University's high ethical standards, Trustees shall exercise care that no detriment to the University results from conflicts between their interests and those of the University. Trustees shall be sensitive to potential conflicts of interest or the appearance of conflicts of interest even if no actual conflicts exist.

12.2 But for the exceptions described below, the University will not enter into any transaction in which a Trustee, or persons or entities closely associated (as hereinafter defined) to that Trustee, have a material financial interest, direct or indirect, or with respect to which a Trustee's independence of judgment might be impaired. Exceptions to this principle are transactions:

(a) approved by a majority of the Audit, Risk and Compliance Committee. If a majority of the Audit, Risk and Compliance Committee is disqualified from acting or if a majority of the Audit, Risk and Compliance Committee elects to refer the matter to the Executive Committee, then approval by a majority of the Executive Committee shall be required; or

(b) involving competitive bids or standard rates and terms offered to businesses generally.

As used in this Article XII, the term "closely associated" means:

(i) A spouse, parent, sibling, child, person living in the household or business

associate of the Trustee;

(ii) Any entity which is directly or indirectly owned or controlled individually or collectively by the Trustee and/or by one or more of the persons described in (i) above. For this purpose, "owned" means holding more than 35 percent of voting membership rights or voting stock in the entity; "controlled" means comprising over 35 percent of the directors, trustees or other members of the governing body of the entity.

(iii) A law firm, accounting firm or other partnership of which the Trustee or any person described in (i) above is a partner.

12.3 Trustees who believe a potential transaction with the University may involve a conflict must report that transaction and all material facts in writing to the Audit, Risk and Compliance Committee in sufficient time for the Audit, Risk and Compliance Committee to approve or disapprove.

12.4 When a conflict is under consideration pursuant to paragraph 12.2 (a) above, no interested Trustee may be present for the discussion or vote; however, an interested Trustee may be counted in determining the presence of a quorum at a meeting of the Audit, Risk and Compliance Committee or the Board of Trustees. Approval shall be based on a finding that the transaction is fair to the University, that it appears that the University cannot obtain a more advantageous arrangement with reasonable effort, and that the transaction will not constitute an excess benefit under Section 4958 of the Internal Revenue Code.

12.5 Annually, each Trustee will sign a statement provided by the University that he/she has read and understands this policy and agrees to comply with it, and discloses information relating to potential conflicts of interest. The Audit, Risk and Compliance Committee shall review all such statements with a view to minimizing the potential for any detrimental effects from conflicts and excess benefits under Section 4958 of the Internal Revenue Code.

12.6 A report of all conflicts voted on during the preceding year or reported by Trustees shall be forwarded to the Board of Trustees by the Audit, Risk and Compliance Committee with a statement of applicable exceptions for each conflict or of a finding of no conflict.

12.7 Each of the provisions of this Article XII shall apply equally to any Trustee Emeritus or non-Trustee who is a member of any committee or subcommittee of the Board of Trustees.

Article XIII

AMENDMENTS OF BYLAWS

13.1 These Bylaws may be amended by a vote of two-thirds of the Trustees present at any meeting of the Board of Trustees, provided that notice of the substance of the intended amendment is given no fewer than thirty (30) days prior to the meeting.
