Dear Colleague,

I hope this message finds you well. We are excited to share with you the formation of an Informal Network of Black Trustees – aimed at connecting with other Black trustees to share experiences and to develop a platform for knowledge, collaboration, and support to drive change and create an inclusive environment that benefits our institutions.

We invite you to join us for our inaugural meeting on March 26, 2024, at 9:00 a.m. on the Tufts University Boston Health Sciences Campus and by Zoom. If you will participate in person, please plan to attend breakfast at 8:30 a.m. and stay to socialize after we wrap up until 11:00 a.m.

Your presence and insights would greatly contribute to the success of our network. To streamline the attendance process, we have created a [webpage](#) and [form](#) for you to learn more about the speakers, share your attendance plans, and provide additional biographical information including an optional head shot and brief biography. This information will only be shared with other registrants and not posted on the website.

We believe the Informal Network of Black Trustees has the potential to be a powerful force for positive change in our institutions and communities. We encourage you to join us for this first gathering.

If you have any questions or concerns, [please feel free to reach out to us](#).

With warm regards,

Tony Anderson
Vice Chair, Johns Hopkins University Board of Trustees

Ancy Verdier
