September 23, 2024

Dear Colleague,

Following the successful launch of the Informal Network of Black Trustees last March, we are pleased to invite you to a virtual meeting on **Wednesday, October 9, 2024, from 12:00 – 1:00 p.m. (EDT)**.

This meeting will continue the conversation on the impact of the 2023 ruling of the U.S. Supreme Court, which significantly limited the use of race status in college admissions. We have invited experts to interpret the data and understand the impact on our colleges and universities. Equipped with a discussion with our peers, we will be able to advocate as our boards convene this fall and winter.

If you plan on participating, please fill out this online [questionnaire](#) or if you have questions about this meeting, [please reach out to us](#).

With warm regards,

Tony Anderson
Vice Chair, Johns Hopkins University Board of Trustees

Ancy Verdier
Trustee, Tufts University
